

New Disc Golf Course @ MLC Sponsorships Available!

The Mountain Lake Conservancy's purpose is to further Mary Moody Northern's desire to forge bonds between people and nature in Mountain Lake's unique environment.

Mountain Lake Conservancy Recreation... come on up and play!

4,000' ELEVATION, WAIST HIGH FERNS, MOSS COVERED ROCKS, FRESH MOUNTAIN AIR, CHALLENGING TOPOGRAPHY

Two years ago, Mountain Lake Hotel built a family-friendly, nine basket, disc golf course on the property near the stables. It has been a hit with hotel guests and the local community who are new to the sport. However, serious players commented that the course lacked the challenge they were looking for. After learning from local disc golfers what they expect in a professional quality course, it was decided to move forward with a volunteer-based effort to bring a true PDGA tournament quality, 18 basket course to the mountain.

The Mountain Lake Conservancy is offering sponsorship opportunities to local businesses to fund the purchase and installation of baskets and tee boxes. A new parking lot has already been built by the Mountain Lake Conservancy at the stables next to the first tee.

The disc golf course and trails of the Conservancy are now open year-round for public access. A parking fee of \$3 per car, or \$20 per year is requested of visitors to help cover costs for maintenance and improvements.

WHAT ARE WE ASKING FOR—WHAT DOES THE SPONSOR GET—WHAT ARE WE DOING—WHAT'S BEEN DONE ?

Each basket sponsor will have their business' name posted on their basket & tee box. All sponsors will be listed at the parking lot kiosk and linked on the MLC website, www.MtnLakeConservancy.org.

- Basket Sponsorship = \$350.00 / basket & tee box

The course is being constructed in two phases. Phase one will include the installation of nine new PDGA certified baskets. Phase two will install the second nine.

Layout of the first nine throwing lanes has already been done. A work day has been scheduled for May 10th for volunteers to begin clearing the site of brush and debris and to install tee pads and baskets that sponsorships will have provided.

Please call or email Emily Woodall at the Mountain Lake Conservancy to reserve your sponsorship. 540.626.7121 x 444 ... mlc@MountainLakeHotel.com
